

Prior Authorization Form

The AdvaMed Political Action Committee (AdvaMedPAC) is your device to participate in the political process so you can protect and invest in the future of your company. AdvaMedPAC offers executives leading the medical device industry the opportunity to make a difference by helping to elect candidates who recognize the economic and regulatory issues that impact medical technology.

AdvaMedPAC pools voluntary contributions from AdvaMed member company executives to support the reelection campaigns of Representatives and Senators — on both sides of the aisle — who help protect the medical device industry when making important policy decisions.

To comply with federal election law, AdvaMed member companies must provide AdvaMedPAC with written prior approval before any solicitation may be directed to eligible employees.

I authorize solicitation of eligible employees of my company, including myself, for voluntary contributions to AdvaMedPAC during the calendar years listed below. I understand that AdvaMedPAC will NOT solicit any of my employees without obtaining my permission in advance. My company has not authorized such solicitation for any other trade association PAC during the calendar years listed below. This authorization may be withdrawn at any time, and no obligation is incurred, financial or otherwise, by signing the prior authorization form.

Name: Date:

Job Title: Company:

Address:

City: State: Zip:

Phone: Email:

Contact Name (if other than yourself):

Signed Authorization is Granted for the Following Years*

<input type="text" value="2023"/>	<input type="text" value="2024"/>
<input type="text" value="2025"/>	<input type="text" value="2026"/>
<input type="text" value="2027"/>	<input type="text" value="2028"/>

*Federal law requires a separate signature for each year. Corporations may grant prior authorization to only one trade association per calendar year.
